**Vision Benefits**

This Certificate provides coverage for Eye Exams and Vision Materials. The Covered Services and Materials, and Frequencies are shown in the Schedule of Benefits. Some of the language we use in this Certificate contains technical vision terms that will be familiar to your provider.

**Eye Exams**

*Benefit Description*

Eye Exams are shown in the Schedule of Benefits. In order for an Eye Exam to be covered, the exam must be:

- Within the allowable Frequency shown in the Schedule of Benefits; and
- By an Ophthalmologist or Optometrist, regardless of whether such provider is an In-Network or Out-of-Network Provider.

In no event will coverage exceed the lesser of:

- the actual cost incurred; or
- the Benefits and Allowances shown in the Schedule of Benefits.

An Eye Exam is an examination of principal vision functions which includes, but is not limited to:

- case history;
- examination for pathology or anomalies;
- job visual analysis;
- refraction;
- visual field testing; or
- tonometry, if indicated.

The exam must be consistent with the community standards, rules and regulations of the jurisdiction in which the provider's practice is located.

**Covered Materials**

Covered Materials are shown in the Schedule of Benefits. In order to be a Covered Material, the Materials must be furnished to an Insured:

- Within the allowable Frequency shown in the Schedule of Benefits; and
- By an Ophthalmologist, Optometrist or Optician, regardless of whether such provider is an In-Network or Out-of-Network Provider.

In no event will coverage exceed the lesser of:

- the actual cost incurred of the Covered Materials; or
- the Benefits and Allowances shown in the Schedule of Benefits.

**In-Network Benefits**

When you enroll for coverage, a Provider Directory will be made available to you. The Provider Directory is made up of In-Network Providers who are available to you. You may select any of the In-Network Providers and change providers at any time without notice. A provider's status may occasionally change. You may contact us to verify a provider's participation status in the network, by calling customer service at (888) 400-9304 or online at [www.AlwaysAssist.com](http://www.AlwaysAssist.com).

When benefits are payable for Covered Services or Materials received from an In-Network Provider, we will pay the In-Network Provider directly, based on the In-Network Benefits shown in the Schedule of Benefits. The Insured will be responsible for any required Co-Pay and any cost that exceeds the Allowance. The Co-Pay and the Allowance are both shown in the Schedule of Benefits

You will generally incur lower cost by using an In-Network Provider.

When benefits are payable for Covered Services or Materials received from an In-Network Provider and are combined with a discount, or other in-store offer, the provider may require that you pay in full and submit your receipt for the Out-of-Network reimbursement.

If an Insured does not have reasonable access to an In-Network Provider, benefits for an Out-of-Network Provider will be paid at the in network rate for their service and region.

**Out-of-Network Benefits**

In addition to In-Network Providers, you also have access to Out-of-Network Providers. If you select an Out-of-Network Provider, you will pay more than if you select an In-Network Provider. An Out-of-Network Provider may expect payment in full for the Covered Services or Materials purchased at the time they are provided. Please refer to the Filing a Claim provision for further information on submitting a claim.

When benefits are payable for Covered Services or Materials received from an Out-of-Network Provider, we will reimburse you up to the amount of out-of-network benefits as shown in the Schedule of Benefits.

### Exclusions

We will not pay benefits for the following, unless otherwise specifically listed as a Covered Service or Material in the Schedule of Benefits:

### Limitations

The Contact Lenses Benefit is paid in lieu of Eyeglass Lenses and Frames. An Insured is eligible to receive benefits under the Eyeglass Lenses Benefit or the Frame Benefit only after the Contact Lenses benefit Frequency has ended.

The Eyeglass Lenses Benefit and the Eyeglass Frame Benefit is paid in lieu of the Contact Lenses Benefit. An Insured is eligible to receive benefits under the Contact Lenses Benefit only after the Eyeglass Lenses benefit Frequency has ended.

Dilation is covered in full under the Vision Exam Benefit only if done for one of the following conditions:

- central vision loss;
- photopsia;
- floaters;
- high myopia;
- diabetes; or
- history of ocular surgery, ocular trauma, or ocular disease.

**Coordination of Benefits**

This provision applies when an Insured has vision coverage under more than one Vision Plan, as defined below. The benefits payable between the Vision Plans will be coordinated.

*Definitions*

**Allowable Expense:** An expense that is considered a covered charge, at least in part, by one or more of the Vision Plans. When a Vision Plan provides benefits by services, reasonable cash value of each service will be treated as both an Allowable Expense and a benefit paid.

**Coordination of Benefits:** Taking other Vision Plans into account when we pay benefits.

**Vision Plan:** All Vision Plans, including this Vision Plan, that provides vision benefits or services on a group basis. "Vision Plan" shall be treated separately for that part of a plan that reserves the right to coordinate with benefits or services of other plans and that part which does not.

"Vision Plan" includes:

- group and blanket insurance;
- self-insured plans;
- prepaid plans;
- government plans;
- plans required or provided by statute (except Medicaid); and
- no fault insurance (when allowed by law).

**Primary Vision Plan:** The Vision Plan that, according to the rules for the Order of Benefit Determination, pays benefits before all other Vision Plans.

*Benefit Coordination*

Benefits will be adjusted so that the total payment under all Vision Plans is no more than 100 percent of the Insured's Allowable Expense. In no event will total benefits paid exceed the total payable in the absence of COB.

If an Insured's benefits paid under this Vision Plan are reduced due to COB, each benefit will be reduced proportionately.

Only the amount of any benefit actually paid will be charged against any applicable benefit maximum.

*The Order of Benefit Determination*

1. When this is the Primary Vision Plan, we will pay benefits as if there were no other Vision Plans.
2. When a person is covered by a Vision Plan without a COB provision, the Vision Plan without the provision will be the Primary Vision Plan.
3. When a person is covered by more than one Vision Plan with a COB provision, the order of benefit payment is as follows:
  - a. **Non-dependent/Dependent.** A Vision Plan that covers a person other than as a dependent will pay before a Vision Plan that covers that person as a dependent.
  - b. **Dependent Child/Parents Not Separated or Divorced.** For a dependent child, the Vision Plan of the parent whose birthday occurs first in the Calendar Year will pay benefits first. If both parents have the same birthday, the Vision Plan that has covered the dependent child for the longer period will pay first. If the other Vision Plan uses gender to determine which Vision Plan pays first, we will also use that basis.
  - c. **Dependent Child/Separated or Divorced Parents.** If two or more Vision Plans cover a person as a Dependent of separated or divorced parents, benefits for the child are determined in the following order:

- i. The Vision Plan of the parent who has responsibility for providing insurance as determined by a court order;
  - ii. The Vision Plan of the parent with custody of the child;
  - iii. The Vision Plan of the spouse of the parent with custody;
  - iv. The Vision Plan of the parent without custody of the child and;
  - v. The Vision Plan of the spouse of the parent without custody of the child.
- d. **Dependent Child/Joint Custody.** If the joint custody court decree does not specifically state which parent is responsible for the child's medical expenses, the rules as shown for Dependent Child/Parents Not Separated or Divorced shall apply.
- e. **Active/Inactive Employee.** The Vision Plan which covers the person as an employee who is neither laid off nor retired (or as that employee's dependent) is primary over the Vision Plan which covers that person as a laid off or retired employee. If the other Vision Plan does not have this rule, and as a result, the Vision Plans do not agree on the order of benefits, this rule is ignored.
- f. **Longer/Shorter Length of Coverage.** When an order of payment is not established by the above, the Vision Plan that has covered the person for the longer period of time will pay first.

*Right to Receive and Release Needed Information*

We may release to or obtain from, any other insurance company, organization, or person information necessary for COB. This will not require the consent of or notice to an Insured. The Insured is required to give us information necessary for COB.

*Right to Make Payments to Another Vision Plan*

COB may result in payments made by another Vision Plan that should have been made by us. We have the right to pay another Vision Plan all amounts it paid which would otherwise have been paid by us. Amounts paid will be treated as benefits paid under this Vision Plan. We will be discharged from liability to the extent of such payments.

*Right to Recovery*

COB may result in overpayments by us. We have the right to recover any excess amounts paid from any person, insurance company, or other organization to whom, or for whom, payments were made.

You may designate any person, including your provider, as your authorized representative. References in this section to "you" include your authorized representative, where applicable.

The request must be made within 60 days following your receipt of the Written notification of adverse benefits determination (includes a denial based on medical necessity, the services or materials are experimental or investigational) and should contain sufficient information to identify the person for whom the claim was denied, including:

Our response to your request for review, including specific reasons for the decision and reference to the specific plan provision on which the benefit determination is based, shall be provided and communicated to you no later than 30 days after receipt of a request for review from you. For a request for review that involves urgent care, we will make an expedited review decision and notify you no later than one working day from the date all information necessary to complete the appeal is received.

### *Other Remedies*

When you have completed the appeals process described above, additional voluntary alternative dispute resolution options may be available, including mediation. One way to find out what may be available is to contact the U.S. Department of Labor and your State insurance regulatory agency.

- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.
